May the sun rise in front of me
The rain fall behind me and the wind follow me.
May the angels guard my travels
For they know what is ahead of me.
Keep me safe through rolling hills and swirling turns.
Let the eagle guide me to the mountain tops.
Let the moon's light guide me through the night.
Lord, thank you for letting me be a biker. Amen.

HISTORY OF RUN FOR THE WALL®
By Founder James "Gunny" Gregory

In 1986, I rode my Wide Glide in the Los Angeles “Welcome Home” parade for Vietnam Veterans. I was the only biker, an active-duty Marine Corps Drill Instructor, and a Combat Vet. I met my Vietnam Fire Team Leader, Carl Rice, and visited the “moving wall” for the first time. Carl told me about live POWs left behind in Nam. I couldn’t believe what he said, but he convinced me. He invited me to a breakfast Sunday morning to hear families talk about POW/MIAs. One of those speakers was Marion Shelton, the wife of Col. Charles Shelton…the last official Prisoner of War of the Vietnam War. That morning Marion enlisted several others and me into her army of POW/MIA supporters. She and Carl asked, “Can you help? What can the bikers do?”

Carl then walked from Los Angeles to Port Angeles, WA (his home), along interstate highways carrying the POW/MIA flag. At that time, I was the Chairman of the Board of ABATE of California, President of San Diego ABATE, life member of HOG, AMA, VFW, American Legion, VVA and knew veterans and bikers all over the world. It was a time for action, but I had to retire from the Marine Corps first. About the same time, ABATE received a letter from a Marine Vietnam veteran planning a rally on Memorial Day weekend of 1988, using veteran bikers as their voice to the government. They called the rally ROLLING THUNDER, named after the B-52 strikes that rolled through Vietnam. Another Vietnam Vet, Bill Evans, came to my home and asked for help planning and conducting a motorcycle run to Washington, DC. I told him I had begun the planning already, so we agreed to “do it” together. Bill named this pilgrimage RUN FOR THE WALL®! Another Nam Vet, Sam, and his wife, Margo, also joined our core group. We made up a black and yellow “Jane Fonda, American Traitor Bitch” patches, sold them through Easy Riders magazine and started raising funds.

I flew to DC to meet with Ray Manzo, Col. Earl Hopper, a POW family member, and Top Holland, our local point of contact. We had a successful meeting, and firmed up plans for Rolling Thunder II. At breakfast, we learned that Philippine Communist guerrillas murdered Col. Nick Rowe, a former POW and Special Forces Officer. Top served with Col. Rowe and knew him well. In 1988, I was the S-4 and Safety Officer for 2nd Bn, RTR, MCRD, in San Diego. That meant I had to attend safety school at Indiana University, Bloomington, IN. I took my leave and travel time to recon the routes for Run for The Wall®. I rode my bike eastbound on the southern route and returned via the middle route. Then a miracle happened.

Strangers and volunteers started calling and donating time, energy, food, and gas for these routes. Several vet groups, churches, and Motorcycle Rights Organizations were (and still are) the backbone of Run for The Wall®.

In May 1989, Marion Shelton saw the first Run leave from San Diego with a local police escort. Bill and I were in the lead. However, before we reached Ontario, Bill lost some of his gear, blew a tire, and then blew his motor. He spent the rest of The Run in the back of a pick-up. Pete then came up and helped with the pack and mechanical needs. This was the first time anyone had ever tried to lead a pack of motorcycles across country. Everyone said we were crazy. About 115 bikes left San Diego the first year. Most turned back in Las Vegas, but about 15 went all the way.

In Kansas, veterans and bikers paid our way through the toll booths on the turnpike, causing us to take our own "special" route around pay stations. In Charleston, WV, I tried to explain to an official of the WV DOT how this worked, but he would not listen. Therefore, I made the decision along with Gary Wetzel, MOH, to take Hwy 60 through the mountains. This fateful decision introduced us to Rainelle, WV, one of the most patriotic communities in America and now one of the major highlights of Run for The Wall®.

On Friday, May 26th, Run for the Wall® accomplished its mission, arriving in Washington, DC, and walking to The Wall. On Saturday, we laid a wreath at the Tomb of the Unknown Soldier. On Sunday, we helped lead Rolling Thunder with Gary Wetzel. This was one of the proudest moments of my life.

THANK YOU TO EVERYONE WHO HAS MADE RUN FOR THE WALL® THE SUCCESS IT HAS BECOME.

FREEDOM ISN'T FREE

Welcome to Run For The Wall® XXXIII - 2023
Central Route Detailed Daily Itinerary

"One MISSION - Four Routes"

Greetings! My name is Paul Marshall, and on behalf of the RFTW Board of Directors, and as the 2023 Central Route Coordinator, it is my honor to welcome you to ***Run For The Wall® XXXIII***. This year marks the 48th Anniversary of the Fall of Saigon. According to the Defense POW/MIA Accounting Agency, last updated March 25, 2022: 1,581 of our brothers and sisters are still unaccounted for from the Vietnam War. Along with that number, there are 126 Cold War MIAs, mostly in or near China. Another 7,508 American service members are still missing from the Korean War. Additionally, 72,250 are unaccounted for from World War II. Since the Gulf Wars, September 11, 2001, and other conflicts, there are five more MIAs. Out of the 81,500 missing, 75% of the losses are located in the Asian Pacific, and over 41,000 of the missing are presumed lost at sea (i.e., ship losses, known aircraft water losses, etc). Even though efforts of JPAC (Joint POW/MIA Accounting Command) have been responsible for the recovery of hundreds of remains, we must continue to remain vigilant in the pursuit to bring our missing home.

America is still engaged in a War on Terrorism, once again placing our military personnel in harm's way. It is imperative to obtain a full accounting of our missing from all our Nation's wars. As a part of the **RFTW Mission**, we conclude our annual Mission at the Vietnam Memorial Wall in Washington D.C. on Saturday, and participate in the Rolling Thunder Parade on Sunday.

This Mission would not be possible without the volunteers who make up our Teams. I have had the honor to work with and assemble the very best Leadership Team who join me in welcoming you to The RUN. Those who serve us on The Run include: Road Guards, Ambassadors, Staging Team, Fuel Team, Registration, Chaplain Corps, Platoon Leadership, Hydration Team, Leadership Support, Merchandise, Last Man /Chase Vehicles, and last but far from least our State Coordinators. Many of these volunteers work tirelessly all year to ensure the success of The Run. If you get a chance, PLEASE THANK THEM for all they do.

Be mindful that our **Road Guards** help us along the route. It is their responsibility to provide guidance and direction to us and the general public. Please follow their instructions at all times. They help us reach our destination with a minimum of inconvenience to the rest of the traveling public.

There are many other unseen volunteers who work together with our State Coordinators from coast-to-coast. These folks plan and raise money all year to help pay for tolls, fuel stops, and meals. Please show your respect and appreciation for what they do to aid us in the completion of our mission.

Order of March for travel will be: Road Guard Platoon, Missing Man Formation, Central Route Leadership, Bike Platoons, Trikes, Bikes/Trikes with trailers, Chaplain Corps, followed by our Last Man Vehicle, Official Chase Vehicles. For the safety of the motorcycles, we request that all other vehicles do not travel with the pack. For the safety of the Pack, please travel either two miles ahead or behind the Pack.

As we journey across this great land, please reflect on why we do what we do. Be mindful of the **RFTW Mission Statement:**

- To promote healing of ALL veterans and their families and friends;
- To call for an accounting of all Prisoners of War and those Missing in Action (POW/MIA);
- To honor the memory of those Killed in Action (KIA) from all wars and;
- To support our military personnel all over the world.

Philosophy: We strive to maintain a safe, supportive, and private atmosphere in which all participants can reflect and heal on their journey to the Vietnam Memorial in Washington, D.C. in hope that they can return home to a new beginning.

Goals:

- To guide the participants across America.
- To educate future generations as to the importance of accountability in wartime actions emphasizing that no one should be left behind.

To lead this Mission across our beautiful country is a great honor. I am very humbled indeed. The Central Route Leadership Team will do our very best to make RFTW XXXIII a safe, memorable, and moving experience for each one of you.

Far too many of you have never been properly *Thanked for Your Service*, or properly *Welcomed Home*. You have never had the emotional parade expressing gratitude and pride in what you have accomplished.

This is all about to change... On the morning of May 17, 2023 at 0710, we roll out of Ontario, CA, on ***The Greatest Mission in the Land!***

Run For The Wall® is YOUR parade across this magnificent country. The journey is emotional, it is long… and it is much overdue.

To Each and Every Veteran, especially our FNGs, ***"Thank you for your Service, and WELCOME HOME!"***

Paul "Brush" Marshall
