Dear _____,

On behalf of our Board of Directors and our Route Coordinators for all Routes, this letter is to acknowledge your generous donation of volunteer hours to Run For The Wall during our 2024 Mission. Your work as a _____ during this Mission proved invaluable. During your service, you had out of pocket expenses such as your own travel, lodging, meals and other similar expenses.

The planning and organizing of this Mission involved considerable year-round activity on your part. While the Run itself is a relatively short-duration mission, your work involved volunteer time, travel, and labor throughout the entire year.

The Internal Revenue Service requires us to tell you that Run For The Wall, Inc. has not and will not provide you with any benefit in consideration of this gift. Our Federal Identification Number is 36-412550. We are a non-profit charitable corporation; a copy of our 501(c)(3) determination letter is available upon request.

Run for the Wall could not function without the countless hours so generously provided by volunteers such as yourself. We truly appreciate your commitment and generosity. Thank you for helping to make our Mission a success.

Sincerely,

John Staub

John "Turkey" Staub
