Please protect us while we travel. The streets are busy, and the trip is long. Keep us safe from the dangers of the road. Give us courtesy and patience with other drivers and help us reach our destination swiftly and easily, always knowing that You are with us.

Please keep our families in Your watchful care while we are away from home.

## Welcome to 2025 Run for the Wall Midway Route

My name is Ed “Wind Dog” Brundage, your Midway Route Coordinator for 2025. I would like to welcome you to the 35<sup>th</sup> annual “**RUN FOR THE WALL**”, the 50<sup>th</sup> anniversary of the Vietnam conflict and the 11<sup>th</sup> Anniversary of the **Midway Route**. As you will see, we depart Ontario on Tuesday, May 13<sup>th</sup> and arrive in Springfield, VA on Friday May 23<sup>rd</sup>, just in time for Memorial Day. Run for the Wall (RFTW) is the largest organized motorcycle ride in the world and consists of four (4) Routes traveling across the US to visit the Vietnam Veterans Memorial Wall, Arlington Cemetery, and the Middle East Conflicts Wall in Marseilles, IL.

The Run for the Wall mission is to create a public awareness and to promote healing among ALL veterans, their families and friends, to call for an accounting of all Prisoners of War and those Missing in Action (POW/MIA), to honor the memory of those Killed in Action (KIA) from all wars, and to support our military personnel all over the world. We also give Vietnam veterans and all veterans the opportunity to get their own welcome home and start the healing process.

To our FNG’s, welcome to the Run for the Wall Family. Get ready for a life-changing experience. If you find yourself in need of personal support, we have a dedicated Chaplain Corp ready to provide solace, and professional guidance. The Run will provide you with the opportunity to build long-lasting relationships that will remain with you for a lifetime.

Lastly, I would like to welcome each of you on the Midway Route where Servant Leadership is our guiding principle. It is my great honor to represent all the leaders who have spent countless hours ensuring Midway 2025 will provide you, the rider, with the best adventure of your life.

For returning riders, welcome home for another great patriotic experience with the Midway family. I look forward to meeting all the new riders and seeing old friends and family in Ontario!!!

Respectfully,

*Ed “Wind Dog” Brundage*

# HISTORY OF RUN FOR THE WALL

*By James "Gunny" Gregory*

In 1986, I rode my Wide Glide in the Los Angeles "Welcome Home" parade for Vietnam Veterans. I was the only biker, an active-duty Marine Corps drill instructor and a combat vet. I met my Vietnam fire team leader Carl Rice and visited the "moving wall" for the first time. Carl told me about live POWs left behind in Nam. I couldn't believe what he said, but he convinced me. He invited me to a breakfast Sunday morning to hear families talk about POW/MIAs. One of those speakers was Marion Shelton, the wife of Col. Charles Shelton—the last official Prisoner of War of the Vietnam War. That morning Marion enlisted several others and me into her army of POW/MIA supporters. She and Carl asked, "Can you help? What can the bikers do?"

Carl then walked from Los Angeles to Port Angeles, Wash., (his home) along interstate highways carrying the POW/MIA flag. At that time, I was the chairman of the board of ABATE of California, president of San Diego ABATE, life member of HOG, AMA, VFW, American Legion, VYA, and knew veterans and bikers all over the world. It was a time for action, but I had to retire from the Marine Corps first. About the same time, ABATE received a letter from Artie Muller and Ray Manzo, two Nam Vets planning a rally on Memorial Day weekend of 1988, using veteran bikers as their voice to the government. They called the rally *ROLLING THUNDER*, named after the B-52 strikes that rolled through Vietnam.

Another Vietnam Vet, Bill Evans, came to my home and asked for help planning and conducting a motorcycle run to Washington, DC. I told him I had begun the planning already, so we agreed to "do it" together. Bill named this pilgrimage *RUN FOR THE WALL!* Another Nam Vet, Sam, and his wife, Margo, also joined our core group. We made up a black and yellow "*Jane Fonda, American Traitor Bitch*" patch, sold them through *Easy Riders Magazine* and started raising funds.

I flew to DC to meet with Artie, Ray and Col. Earl Hopper, a POW family member, and Top Holland, our local point of contact. We had a successful meeting, and firmed up plans for *Rolling Thunder II*. At breakfast, we learned that Philippine Communist guerrillas murdered Col. Nick Rowe, a former POW and Special Forces officer. Top served with Col. Rowe and knew him well. In 1988, I was the S-4 and safety officer for 2<sup>nd</sup> BN, RTR, MCRD, in San Diego. That meant I had to attend safety school at Indiana University in Bloomington, Ind. I took my leave and travel time to recon the routes for *Run For The Wall*. I rode my bike eastbound on the Southern Route and returned via the Central Route (was called middle route back then). Then a miracle happened.

Strangers and volunteers started calling and donating time, energy, food and gas for these routes. Several vet groups, churches and motorcycle Rights organizations were (and still are) the backbone of *Run For The Wall*.

In May 1989, Marion Shelton saw the first *Run* leave from San Diego with a local police escort. Bill and I were in the lead. However, before we reached Ontario, Bill lost some of his gear, blew a tire and then blew his motor. He spent the rest of *The Run* in the back of a pickup. Pete then came up and helped with the pack and mechanical needs. This was the first time anyone had ever tried to lead a pack of motorcycles across country. Everyone said we were crazy. About 115 bikes left San Diego the first year. Most turned back in Las Vegas, but about 15 went **all the way**.

In Kansas, veterans and bikers paid our way through the tollbooths on the turnpike, causing us to take our own "special" route around pay stations. In Charleston, W.V., I tried to explain to an official of the WV DOT how this worked, but he would not listen.

Therefore, I made the decision along with Gary Wetzel, MOH, to take Hwy 60 through the mountains. This fateful decision introduced us to Rainelle, W.V., one of the most patriotic communities in America and now one of the major highlights of *Run For The Wall*.

On Friday, May 26, *Run For The Wall* accomplished its mission, arriving in Washington, DC, and walking to The Wall. The next day we laid a wreath at the Tomb of the Unknown Soldier. On Sunday, we helped lead *Rolling Thunder* with Gary Wetzel, Bill on Pete's bike, and myself leading the pack. This was one of the proudest moments of my life.

THANK YOU TO EVERYONE WHO HAS MADE RUN FOR THE WALL THE SUCCESS IT HAS BECOME.

*FREEDOM ISN'T FREE*

**As we make our journey across this great land, please reflect on why we do what we do.**

**Be mindful of the RFTW Mission Statement:**

"To promote healing among ALL veterans and their families and friends, to call for an accounting of all Prisoners of War and those Missing in Action (POW/MIA), to honor the memory of those Killed in Action (KIA) from all wars, and to support our military personnel all over the world."

*Midway Route Leadership Team*

**Everyone is welcome!** However, if you are a member of a motorcycle club, you must comply with all RFTW 's rules, policies, and procedures. For the safety of the pack, you will be assigned to platoons and may or may not be riding together with other members of your club or organization. With all due respect, this Run is not about anyone's club or organization. It is a time for us all to become one RFTW family serving one mission. Thank you for your understanding.

## HAND SIGNALS

Passengers do not give hand signals!

**Single file:** Flat Left hand straight above head, slicing the air forward and back.

**Tap out:** Make sure area is clear of traffic and those around you are aware. Tap helmet with Left hand and point which direction you need to go to exit safely.

**OK on side of road:** If you have tapped out but are just adjusting your pack, getting hydration, etc., give a “**Thumbs UP**” as the entire pack goes by.

**Need Help on side of road:** If you need assistance, do **jumping jacks**—flapping your arms—while the entire pack goes by. Platoon leadership and Road Guards will be passing the information back. The chase vehicles in the back will stop to assist you, however, if you are not still flapping your arms, the chase vehicles might not get the word and will drive right by— they cannot read minds. Remember: GMRS radio strength is limited and may not cover the entire length of the pack.

**Other signals will be demonstrated at morning meetings. Please pay attention!**
