Welcome to Run For The Wall XXXVI

As the Southern Route Coordinator and on behalf of the Board of Directors, I would like to welcome you to the 36th Annual Run For The Wall. Last year, we celebrated the 50th Anniversary of the last battle in Vietnam. This year, we are celebrating the 35th Anniversary of Desert Shield/Desert Storm. Over 80,000 service members are still missing to this day. Part of our mission is to call for an accounting of all POWs and MIAs from all wars. The rest of our mission is to promote healing among ALL veterans and their family and friends, Honor the memory of those Killed in Action and to support our service members stationed all over the world.

To everyone who is joining the Southern Route to accomplish those missions, I say “Welcome home!”. As a Vietnam Era vet, it did not matter that I wasn’t in country. I still was looked upon with disdain. So, when I say “Welcome Home”, it is coming from the heart. Those of you who are FNGs, I appreciate you participating in the Run by joining the Southern Route. And you’ll be able to tell the older riders as we have patches that tell our stories. Please, talk to the folks with the patches as you’ll be tapping into a wealth of information and experience, both in life and in The Run.

To our FNGs, if you need to talk, find a Chaplain, Platoon Leader, Assistant Platoon Leader or anyone in my Executive Team. We have a multitude of people that believe in our Mission and they help us to get our pack across the country. Not just the folks who are riding with you, we have an Ambassador Team that is out in front of the pack, greeting the supporters on the bridges and spreading the RFTW word! We have a Hydration Team that will ensure we have drinks and snacks available at our fuel stops. We have Chase Trucks that are at the rear of our pack and are a valuable asset to our Route. And you will see our Merchandise Team working the trailer. Merchandise sales are as huge part of our revenue generation. Stop by and grab some stuff!

You’ll see the Merchandise trailer, Fuel Team, Staging Team, Road Guards (Red hats and yellow brassards), Registration Team, State Coordinators and all the folks at our end of day stops who provide evening meals and breakfasts. These meals are not free. They are donated! Someone is paying for those meals that we enjoy, so make sure you thank the folks who are serving the meal. Thank them profusely! We often have programs after we eat and these programs are mandatory and everyone is expected to participate. It is only right to do so.

RFTW is large organization that believes in our mission wholeheartedly and is dedicated to making it grow. And the FNGs are our hope for the future.

In closing, I would like to thank my Exec Team, Platoon Leadership, Team Leads, State Coordinators and the supporters along our Route. Without them, RFTW would not be possible.

“Honor. Respect. Remember.”

History of RUN FOR THE WALL

By James "Gunny" Gregory

In 1986, I rode my Wide Glide in the Los Angeles "Welcome Home" parade for Vietnam Veterans. I was the only biker, an active-duty Marine Corps Drill Instructor, and a Combat Vet. I met my Vietnam Fire Team Leader, Carl Rice, and visited the "moving wall" for the first time. Carl told me about live POWs left behind in Nam. I couldn't believe what he said, but he convinced me. He invited me to a breakfast Sunday morning to hear families talk about POW/MIAs. One of those speakers was Marion Shelton, the wife of Col. Charles Shelton...the last official Prisoner of War of the Vietnam War. That morning Marion enlisted several others and me into her army of POW/MIA supporters. She and Carl asked, "Can you help? What can the bikers do?"

Carl then walked from Los Angeles to Port Angeles, WA, (his home) along interstate highways carrying the POW/MIA flag. At that time, I was the Chairman of the Board of ABATE of California, President of San Diego ABATE, life member of HOG, AMA, VFW, American Legion, VVA and knew veterans and bikers all over the world. It was a time for action, but I had to retire from the Marine Corps first. About the same time, ABATE received a letter from a Marine Vietnam veteran planning a rally on Memorial Day weekend of 1988, using veteran bikers as their voice to the government. They called the rally ROLLING THUNDER, named after the B-52 strikes that rolled through Vietnam. Another Vietnam Vet, Bill Evans, came to my home and asked for help planning and conducting a motorcycle run to Washington, DC. I told him I had begun the planning already, so we agreed to "do it" together. Bill named this pilgrimage RUN FOR

THE WALL! Another Nam Vet, Sam, and his wife, Margo, also joined our core group. We made up a black and yellow "Jane Fonda, American Traitor Bitch" patch, sold them through Easyriders magazine and started raising funds.

I flew to DC to meet with Ray Manzo and Col. Earl Hopper, a POW family member, and Top Holland, our local point of contact. We had a successful meeting and firmed up plans for Rolling Thunder II. At breakfast, we learned that Philippine Communist guerrillas murdered Col. Nick Rowe, a former POW and Special Forces Officer. Top served with Col. Rowe and knew him well. In 1988, I was the S-4 and Safety Officer for 2nd Bn, RTR, MCRD, in San Diego. That meant I had to attend safety school at Indiana University, Bloomington, IN. I took my leave and travel time to recon the routes for Run For The Wall. I rode my bike eastbound on the southern route and returned via the middle route. Then a miracle happened.

RFTW XXXVI – Southern Route Daily Itinerary

Strangers and volunteers started calling and donating time, energy, food, and gas for these routes. Several vet groups, churches, and Motorcycle Rights Organizations were (and still are) the backbone of Run For The Wall.

In May 1989, Marion Shelton saw the first Run leave from San Diego with a local police escort. Bill and I were in the lead. However, before we reached Ontario, Bill lost some of his gear, blew a tire, and then blew his motor. He spent the rest of The Run in the back of a pick-up. Pete then came up and helped with the pack and mechanical needs. This was the first time anyone had ever tried to lead a pack of motorcycles across country. Everyone said we were crazy. About 115 bikes left San Diego the first year. Most turned back in Las Vegas, but about 15 went all the way.

In Kansas, veterans and bikers paid our way through the toll booths on the turnpike, causing us to take our own “special” route around pay stations. In Charleston, WV, I tried to explain to an official of the WV DOT how this worked, but he would not listen. Therefore, I made the decision along with Gary Wetzel, MOH, to take Hwy 60 through the mountains. This fateful decision introduced us to Rainelle, WV, one of the most patriotic communities in America and now one of the major highlights of Run For The Wall Central Route.

On Friday, May 26th, Run For The Wall accomplished its mission, arriving in Washington, DC, and walking to The Wall. The next day, Saturday, we laid a wreath at the Tomb of the Unknown Soldier. On Sunday, we helped lead Rolling Thunder with Gary Wetzel, Bill on Pete’s bike, and myself leading the pack. This was one of the proudest moments of my life.

*Thank you to everyone who has made
Run For The Wall the Success it has become.*

"You only live once, but if you do it right, once is enough." – Mae West

From this day to the ending of the world, But we in it shall be remember'd; We few, we happy few, we band of brothers; For he to-day that sheds his blood with me Shall be my brother; be he ne'er so vile, This day shall gentle his condition: And gentlemen in England now a-bed Shall think themselves accursed they were not here, And hold their manhoods cheap whiles any speaks That fought with us upon Saint Crispin's day.

"It is not the critic who counts; not the man who points out how the strong man stumbles, or where the doer of deeds could have done them better. The credit belongs to the man who is actually in the arena, whose face is marred by dust and sweat and blood; who strives valiantly; who errs, who comes short again and again, because there is no effort without error and shortcoming; but who does actually strive to do the deeds; who knows great enthusiasms, the great devotions; who spends himself in a worthy cause; who at the best knows in the end the triumph of high achievement, and who at the worst, if he fails, at least fails while daring greatly, so that his place shall never be with those cold and timid souls who neither know victory nor defeat"
